

## CERTIFICATE OF ANALYSIS

---

Product: **WorkBeads™ 40S**

Article number: **40 200 001, 40 200 002, 40 200 005, 40 200 010,  
40 200 050, 40 200 060, 40 200 210, 40 200 250**

Lot number: **152848**

Product release date: **2018 JUNE 26**

Expire date: **2023-06**

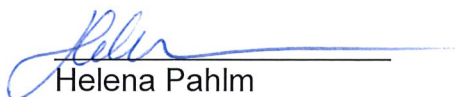

---

|  | <b>Measured values</b>      | <b>Specifications</b>             |
|--|-----------------------------|-----------------------------------|
| Ionic capacity   | 200 µmol H <sup>+</sup> /mL | 180 – 250 µmol H <sup>+</sup> /mL |
| Average particle size (Dv50)                           | 51.3 µm                     | 32 - 60 µm                        |
| Flow properties (linear flow<br>in a 10x300 mm column) | ≥10 cm/min                  | ≥10 cm/min                        |
